

Summer Research Internship Program (SURI) Summer 2021

Dear Jerrin,

We are very excited to inform you that you have been selected by Professor Thomas Czerniawski to be a part of the SURI program here at Arizona State University and at Ira A. Fulton Schools of Engineering for the Summer 2021 session.

Faculty and Research Information: *(please confirm the faculty/research project you select)*

☒ I accept to work with **Professor Thomas Czerniawski** for the research project looking at: Students will use laser scanning and photogrammetry to digitize the built environment. Digital representations will be processed to provide insights to builders and stewards of infrastructure. Students will learning about the sensors used to collect visual data, the tools used to fuse data into unified digital representations, and the computer vision algorithms available to perform automated analysis.

Funding/Cost

There is no stipend funding for international students (outside of the U.S.) that participate in this program.

- If a student elects to participate in the program in-person, we will work to provide the student with J-1 visa documentation, and it will be up to the students to successfully get their J-1 visa and arrive to campus by the time orientation begins. Student will also have to pay \$1,800 to participate in the program. That does not cover travel costs, living arrangements, or living expenses. We will not be offering any on-campus housing arrangement for students this Summer 2021, so students traveling to campus will need to make your own living arrangements.
- If a student's elects to participate in the program digitally, there will be no cost to participate in the program *(we recommend this option if faculty have provided the flexibility and choice to students)*.

Research Mode: *(please confirm the research mode of the project you selected)*

☒ I accept that the research mode for this project will be digital/remote (no cost to participate)
~~☐ I accept that the research mode for this project will be in-person (cost of \$1,800 to participate)~~

Program Details

The program dates are **Monday May 31st, 2021 to Friday July 23rd, 2021**. Mandatory orientation will take place from **Wednesday May 26th, 2021 to Friday May 28th, 2021** and will be done digitally. For any students doing in-person research, there will be some in-person orientation activities that will take place including lab safety trainings required to work in the research labs.

If you would like to accept this offer, please complete this form by **Friday 3/12/2021**.

Yes I Accept ☒ **YES**, I formally accept the offer to be a part of the SURI program for Summer 2021 with all details as outlines above.

☐ **NO**, I would like to decline the offer to be a part of the SURI program for Summer 2021.
